Mr. Herman Lahesalu

Dear Mr. Lahesalu:

My apologies for delaying so long the reading of Hermann Rajamaa's East and West - Facts from Behind the Iron Curtain. I have now done so with much interest and profit.

I think it should be published in the U.S.A. and am taking the liberty of asking Professor George S. Counts to look at it and give me his judgment, since he has written extensively on Education in the Soviet Union and is one of the best informed men on this subject.

Sincerely yours,

Clarence Linton
