Dear Mrs. and Mr. Rajamaa.
Hereby I take opportunity to
send you my best Christmas-
Greetings and happy New-
Year! My two attempts to take
connection with you failed,
but these lines, I hope, you
will receive in order. I live
from autumn 1944 in this place
in Bavaria and am awaiting re-
patriation to the States. My hus-
band as American citizen (by birth
Estonian) went over 5 months ago, and
I am still here with my two sons
(5 and 4) awaiting our departure,
which will be possible in January
or February. We could not go
together, because my papers-
matter were not in order then.
