Task 2 12 points

You are an exchange student at Trent College in Wales. The manager of the college canteen, Mrs. Tina Cook, has asked you to carry out a survey among the students about which type of food they prefer. Study the chart below which shows the results of your survey.

Write a report about students' eating preferences. Comment on the healthiness of their choice. Make recommendations to Mrs. Cook about which food to serve.

You should write **200** words.
