

Stockholm, April 6th, 1949.

CERTIFICATE.

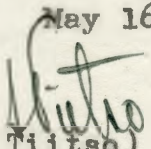

Mr. H i r j o L e e m e t s , born on August 26th, 1928, attended, from August 1st, 1946, to December 20th, 1948, the Estonian Secondary School's Night College in Stockholm, of which school I am the headmaster, and completed the full course of the school on December 20th, 1948. H i r j o L e e m e t s' deportment at school was very good and, in his studies, he displayed great and remarkable talents. He was one of the best graduates despite of the fact that, during the whole time of studies, he had to earn his own living. He participated, moreover, energetically in the pre-graduate activities at the school, e.g. as a member of the board of their literary circle. H i r j o L e e m e t s has an amiable character and his cooperation with his fellow-pupils was excellent. Considering L e e m e t s' good progress at our school, his remarkable talents, and his honest and amiable character, I thus warmly recommend him for admission to the Upsala College in the USA.
